IT APPEARS AS THOUGH SPRING HAS OFFICIALLY SPRUNG!

Along with this change of season comes the annual Milwaukee Film Festival, just like the emergence of a field of cinematic daisies after a long Midwestern winter.

Everyone at Milwaukee Film is beyond excited to see you at the 2023 Milwaukee Film Festival, to showcase the very best in cinema at our magnificently restored Oriental Theatre, as well as at the Times and Avalon, too. We’re back and better than ever, ready to celebrate filmmaking at its finest — in all genres, for all ages, from around the corner and around the world.

In addition to the timely documentaries, sweeping dramas, and independent stories of diverse humanity that you have come to expect from our nationally recognized, cutting-edge Festivals, we have some offbeat gems in store for you this year. Interested in a stop-motion animated family film starring a cheeky felted pig? How about a dizzying, psychedelic Saturday night variety special? Or a Frankenstein retelling centered on a young Black girl who wants to cure death? Maybe an army of hundreds of human-sized beavers or a Madonna dance party is more to your liking? Not to worry, we’ve got it all at MFF2023!

If you look closely at the delightfully created Festival artwork this year, you’ll catch a glimpse of some of the many stories to be told at the Festival, both onscreen and in the seats in front of those screens. We can’t wait for you to spend time with all of these characters throughout the 15 days of this year’s Festival.

Thank you for being with us and for being an important part of our Milwaukee Film Family.

WHEN SHOULD I BUY TICKETS?
You already know the answer to this one: as soon as possible! Many of our screenings sell out, leaving sad, ticket-less people. Don’t be one of those. Buy your tickets early!

WHEN SHOULD I ARRIVE AT SCREENINGS?
If you have a ticket, we highly recommend you arrive a minimum of 30 minutes prior to showtime to secure your seat. All ticket and pass holders must arrive no later than 15 minutes prior to the scheduled showtime to guarantee a seat. Beginning 15 minutes before the show, any empty seats will be sold to patrons in the Standby line (see below).

WHAT IF A SCREENING IS SOLD OUT?
If a film is listed as “Standby Only” online, there’s still hope! You can join the Standby line at the venue to buy any unclaimed seats. Standby tickets are sold on a first-come, first-served basis, so get in line early. There’s also a chance the film will be screening again during the Festival! Check your program guide for dates, times, and locations.

WHAT ARE STANDBY TICKETS?
Standby tickets are last-minute tickets to screenings where all advance tickets have been sold. If available, Standby tickets are sold within 15 minutes of showtime. All Standby tickets are sold at full price and are not subject to discounts. 6-pack vouchers are not redeemable for Standby tickets.

HOW DO I KNOW WHICH SCREENINGS HAVE GONE TO STANDBY STATUS?
Every day at noon during the Festival, we update mkefilm.org/standby to let you know which screenings have gone to Standby Only status (and which screenings are selling quickly).

CAN I PURCHASE SAME-DAY TICKETS?
Absolutely! Same-day tickets are available at all three box office locations, online, and over the phone, up until each film’s showtime or until a film goes to standby.

I THOUGHT TICKETS WERE GREEN. WHY IS MY TICKET YELLOW?
Because you have a voucher, not a ticket. Yellow vouchers must be exchanged for green tickets to specific Festival screenings (valued at $15), depending on ticket availability. Vouchers may be exchanged at any box office and should be converted to tickets prior to entering the ticket-holder line.

HOW CAN I GET A MEMBER DISCOUNT?
Milwaukee Film Members pay less for tickets, passes, concessions, and merchandise during the Festival. Throughout the year, they also get to take advantage of many other great benefits, including year-round discounts on tickets and concessions at the Oriental Theatre. If you aren’t a Member yet, sign up at mkefilm.org/membership or at any Festival box office to enjoy these discounts immediately!

CAN I BRING KIDS TO THE FILM FESTIVAL?
Certainly—we’re a kid-friendly Festival! However, not all films have MPAA ratings. Some movies might contain material unsuitable for children, so please use discretion when selecting films for youths. Age-appropriate films (with recommendations) are available in the Rated K: For Kids and Teen Screen programs.

1946: THE MISTRANSLATION THAT SHIFTED CULTURE
UNITED STATES / 2022 / 92 MIN / ENGLISH
The word “homosexual” did not appear in the Bible until 1946, when the translation of a single Greek word suddenly complicated the lives of millions. This DOC NYC Audience Award-winning film spotlights the work of tireless researchers who trace the origins of decades of anti-gay movements to the flimsy foundation of a mistranslation. At once challenging, enlightening, and inspiring, 1946 is bound to be one of MFF2023’s most talked about documentaries.

MILWAUKEE FILM FESTIVAL (MFF)

Since 2009, the annual Milwaukee Film Festival has brought together audiences and filmmakers to celebrate the power of cinema. It is one of the largest film festivals in the country and was recognized by Moviemaker Magazine as one of the “Coolest Film Festivals in the World.” In 2019, our annual Milwaukee Film Festival attracted more than 87,000 attendees to packed cinemas and over 100,000 people joined our virtual festivals in 2020 and 2021. In 2022, we returned in person, providing a hybrid festival experience. Each year we continue to elevate Milwaukee’s film industry and bring world-class films and filmmakers to local audiences. It’s a celebration of film, arts, and culture unlike anything else in our community.

ORIENTAL THEATRE

Milwaukee Film operates the historic Oriental Theatre, a magnificent movie palace recognized on the National Register of Historic Places. Since getting the keys in 2018, Milwaukee Film has worked to revitalize this one-of-a-kind space. In 2019, we fully restored one of the three houses inside the theater, replaced the lobby concessions stand, and showed nearly 250 film titles outside MFF. After the theater closed in March 2020 due to the COVID-19 pandemic, we began our next phase of renovations, working to restore much of the theatre’s other two houses while also incorporating hearing loops for improved accessibility. We’re now fully reopened and proud to show off what we’ve accomplished in restoring this historical gem.

CULTURES & COMMUNITIES (C&C)

Our Cultures & Communities initiative prioritizes diverse cultural perspectives, lived experiences, and representations of historically marginalized communities through film, conversations, and events. Building on the success of the Minority Health Film Festival, in 2020, we shifted toward this more collaborative-focused effort in response to the global pandemic and social unrest. C&C is poised to strengthen the impact of established programs such as Black Lens, Cine Sin Fronteras, and GenreQueer while developing new programs and events in collaboration with individuals and institutions throughout Milwaukee.

YOUTH EDUCATION

Beyond screening movies, Milwaukee Film’s vision is to foster deeper audience engagement with film and to serve our community. Our education programs are critically important elements of this work. Whether bringing films to the classroom with our Take 1 filmmaking courses for high school students, bringing the classroom to film with our education screenings, or everything in between — Milwaukee Film is committed to making a lasting impact on local movie lovers no matter their age.

ARTIST SERVICES

Milwaukee Film provides year-long initiatives, events, and programming for local filmmakers to hone their craft and get the support they need for their storytelling projects. We are the leading regional funder of filmmakers through the Forward Fund, offering annual grants of $100,000 and a Fiscal Sponsorship Program to assist filmmakers in soliciting and receiving project funding. Through our Focus Finder Accelerator, Milwaukee Film provides a cohort-based, two-year program for emerging film talent from historically under-resourced identities as a way to professionally develop, connect, and elevate diverse voices in film.

Milwaukee Film is a nonprofit arts organization dedicated to creating world-class cinematic experiences that convene diverse communities and catalyze positive change in Milwaukee. Our vision is to become America’s most dynamic, well-rounded film culture institution. Fostering values of community, artistry, education, and joy, our work makes our community more empathetic and equitable for everyone to live.
