FISCAL SPONSORSHIP APPLICATION QUESTIONS

Below is the text of the application form (instructions and questions) as it appears in the online form at https://milwaukeefilm.formstack.com/forms/fiscalsponsorship. This PDF is for reference and preparation of applications while offline. All applications must be completed using the online form.

Fiscal Sponsorship Application

On subsequent pages you will be asked about the film project for which you are applying for fiscal sponsorship, along with information about your team, your budget, etc. You may move through the pages of this application without completing the fields but you will not be able to submit the application until all required fields are complete. We have created a PDF containing all of the application questions to help you work on our application offline. You can find that document on our website. We recommend that you work on your answers offline (in a word processing document) and then transfer them to this online form in order to reduce errors.

This application will remain open year-round with three to four deadlines per year. Deadlines for 2020 include: January 19th, March 29th, May 24th, and Sept. 13th.

Milwaukee Film staff will screen each application to determine whether the project carries out the organization's mission before taking it to the Board of Directors' Fiscal Sponsorship Committee who will make a recommendation on projects to be approved for fiscal sponsorship. Those recommendations will then be put in front of the full Board of Directors for a final vote of approval.

Applications will be evaluated on the basis of:

1. The project's alignment with Milwaukee Film's organizational mission, e.g.:
   a. The artistic merit, strength, originality, and vision of the project
   b. The demonstrated professional/technical capabilities of the project owner and collaborators
   c. The project's relevance to our community and potential for impact
2. The financial reporting capabilities demonstrated realistically and responsibly by the project application budget
3. The feasibility of the fundraising plan

All applicants can expect to hear a decision via email within six weeks of the application deadline.

Upon submission of a completed application, you will receive a confirmation email containing all of your submitted application information. That email will serve as your "receipt" for your submitted application. If you have any questions about the application or fiscal sponsorship process, we encourage you to first look at our FAQ on our website. If you have further questions, email them to molly@mkefilm.org

**Eligibility Verification**

Prior to beginning the application, please review the following rules and regulations governing fiscal sponsorship eligibility and certify your acknowledgement of them below. Applicant must:

- Be either the project owner (this is typically defined as the director) or the primary contact person for the project. If applicant is someone other than the project owner, we will require the applicant to provide contact information for the project owner as well.
- Be working on a noncommercial film, video, or other recorded visual media project consistent with Milwaukee Film’s mission: Milwaukee Film’s mission is to entertain, educate, and engage our community through cinematic experiences.
- Be seeking donations in the form of grants from foundations, government agencies, corporations, or individuals. Funds raised through fundraising events where you seek individual donations can also apply.
- Reside in one of the following Southeastern Wisconsin (M7) counties: Milwaukee, Waukesha, Kenosha, Racine, Ozaukee, Walworth, or Washington. If the project owner and/or primary contact do not reside in the M7 region but are still interested in fiscal sponsorship through Milwaukee Film, you will be required to explain why you are interested in the application. The Fiscal Sponsorship Committee will use this explanation to determine if the project advances Milwaukee Film’s mission, thus making it eligible for fiscal sponsorship.
- Be 18 years of age or older.
- Be a Milwaukee Filmmaker Alliance Member. If more than one person (project owner and primary contact) is applying with a project you must both be members.
- Student films are not eligible for this program, however the significant expansion or re-development of a project previously submitted for a school project (thesis film, etc) is eligible. Currently enrolled full- and part-time students in Film Production-related programs are ineligible to apply.
- Current year-round Milwaukee Film employees, Board members, and major funders or the immediate families of such individuals are ineligible to apply for fiscal sponsorship through Milwaukee Film.
- On a case-by-case basis, Milwaukee Film may in its sole discretion accept projects which do not satisfy bullet 2 above because the project is organized as a for-profit entity, but which otherwise satisfy all eligibility criteria (such projects are referred to as “for-profit projects”). If Milwaukee Film accepts a for-profit project, the project owner understands that (i) Milwaukee Film will not accept investment funds, and (ii) the project owner is responsible for communicating with all donors, sponsors and other financial supporters of the pro-profit project that funds provided to Milwaukee Film in support of
the for-profit project are not tax deductible and that the participation of the for-profit project in Milwaukee Film’s fiscal sponsorship does not convey any tax benefit to the for-profit project or its financial supporters. Except as noted in this subparagraph, for-profit projects accepted by Milwaukee Film are subject to all of the requirements in the Fiscal Sponsorship Handbook.

Prior to applying, all applicants should read the Fiscal Sponsorship Agreement (a sample agreement can be found on our website: mkefilm.org/fiscal) to understand the terms placed on projects/project owners that receive fiscal sponsorship through Milwaukee Film. In the final section of your application you will be asked to agree that you are prepared to abide by those terms should your project be approved for fiscal sponsorship through Milwaukee Film.

I certify, to the best of my knowledge, that the above eligibility requirements are met by this project and award application.

Contact Information

The contact person for the project is the person responsible for communicating with Milwaukee Film throughout the duration of the fiscal sponsorship relationship. In most cases this is going to be the project owner (this is typically defined as the director), however, if you’d prefer to have someone other than the project owner act as the primary contact (i.e. producer), please also provide their contact information below.

Reminder: To be eligible for Fiscal Sponsorship through Milwaukee Film, project contact(s) must be MFA Members. If more than one person is applying (i.e. project owner and primary contact) with a project, both individuals must be members.
