How?

To be a Milwaukee Film volunteer, fill out the application through our online scheduler, Shiftboard. Once your application is processed, you will receive a welcome email from us that will include your password. (Make sure to check your spam folder!) You'll then be able to join teams, view our calendar, and sign up for shifts (once they are posted). As the festival approaches, we will provide more opportunities to get involved.

Note: If you have volunteered with us in the past and already have a Shiftboard account, you do not need to register again.

Why?

We feel like this should be an easy one, but if you love the Festival and you love the community, it just makes sense. Did we mention the perks?
